

Bridgeon Skillversity Company Information Brochure

About Bridgeon:

Bridgeon Skillversity is an industry-simulation training academy providing job-oriented bootcamps. We specialize in software development tracks designed to get students hired within 8 to 10 months.

Courses Offered:

1. MERN Stack Web Development (React, Node.js, Express, MongoDB)
2. Python Full Stack Web Development (Django, Flask, Python)
3. Flutter Mobile App Development (Dart, Flutter Android/iOS)
4. Data Science and Analytics (Machine Learning, Python, SQL)
5. UI/UX Design (Figma, Adobe XD, Wireframing, User Research)

Placement Records:

Bridgeon provides 100% placement support. Our graduates start with packages between 2.5 LPA to 10 LPA. We have partnerships with over 50 technology companies across India.

Bridgeon Admissions and Refund Policy Guide

Admissions Process:

1. Schedule a call with our admissions counselor.
2. Complete the coding aptitude assessment (no prior programming required).
3. Reserve your seat with an admission fee of ₹5,000.

Course Fees and Payment Plans:

The standard course fee is ₹35,000 for all developer bootcamps.

We support installment plans: ₹10,000 monthly or zero-cost EMIs via partner financial services.

Refund Policy:

1. A full refund of the reservation fee (₹5,000) is given if cancelled within 7 days of payment.
2. If a student withdraws within the first 14 days of batch startup, 75% of the tuition is refundable.
3. No refunds are provided after 30 days of joining the batch.
